

YOUTH PROJECT QUESTIONNAIRE

The youth project team would like to find out if the **11 to 16 year olds** in Tatsfield would like any more activities in the village. There have been workshops on filming and media in the last couple of years and it is possible to get grants for other ventures if there is enough interest. Please **print** and fill in this questionnaire, or complete on line by going to the Tatsfield website **www.tatsfield.org.uk** (go to Organisations, go to Youth Project). Please do fill in on-line or return this form to Linda's Store by January 17th 2009

If there is enough interest these activities could be assisted by a grant but some would require payment and parental help, please add your name and say if your parents would be willing to support you in these activities. We would like to have a couple of youngsters attend meetings to be a part of decision making so you get what you want out of this, we could have different teenagers each time so you all get a say in what's going on.
