

## **Message below from Stock Hill Medical Centre**

"You can access your Covid-19 vaccination status through the free NHS App from May 17<sup>th</sup> 2021.

The app can be downloaded now from the Apple and Google app stores and it can then be accessed through mobile devices such as smartphone or tablet

Your Covid vaccine status will be viewable automatically after two doses.

We recommend you register with the app before booking international travel.

If you do not have access to a smartphone and know that the country you are travelling to requires Covid-19 vaccination status, you can call the NHS helpline on 119, from May 17<sup>th</sup> 2021, and ask for a letter to be posted to you. This must be at least 5 days after completing your course of the vaccine. The letter may take 5 days to reach you.

THERE IS NO NEED TO REQUEST YOUR FULL HEALTH RECORD OR CONTACT THE SURGERY ABOUT YOUR VACCINATION STATUS

**The GP will not provide a letter showing your Covid-19 vaccine status.**

Quick Guide to register on the NHS app: <https://youtu.be/Q0SCcLtw8JA>

For all Clinical Enquiries please use the eConsult facility available at the Surgery website: <https://www.stockhillmedicalcentre.nhs.uk>
