

## **Tatsfield Neighbourhood Plan**

### **IMPORTANT UPDATE FOR ALL RESIDENTS and any newcomers to the village**

Tatsfield is in the process of preparing a Neighbourhood Plan that we hope will set out a vision for the development of our village over the next 15 years.

HOW CAN YOU BECOME INVOLVED? THERE ARE THREE WAYS:

1. MEET THE STEERING GROUP, at their next meeting this Wednesday (20th) at 8pm in the A.M.B.

2. JOIN THE STEERING GROUP

During the “pause” for Covid much has changed and we have lost some members of the committee and are in need of new interested persons to join the committee.

3. MINUTES SECRETARY - We are in particular need of a Minutes Secretary/administrator to handle the minutes and processes of the committee.
