

## Ship Hill Roadworks - Update from Metrobus re 695 bus route:

Ship Hill Roadworks - Update from Metrobus re 695 bus route:

Our diversion plan for the 695 has been revised in an attempt to accommodate the students that need it, the timing points being served are shown below. Our service will still be unable to serve Biggin Hill Valley or Ricketts Hill Road, passengers who normally board/alight along these sections of the route are advised to use TFL services (320, 464, R2) to travel between Biggin Hill Valley and Biggin Hill.

After calling at Biggin Hill Lebanon Gardens, the 695 will then re-route going back via Westerham Hill and Westerham town centre/Croydon Road/Clarks Lane as per the route below to call at The Old Ship Tatsfield before heading down to Oxted. [REDACTED]

Buses will not be serving additional stops on this diversion as to lessen any delays.

As this arrangement misses out quite a number of Oxted School students who are collected from Biggin Hill Valley and Ricketts Hill Road (and for all those trying to go the other way to Biggin Hill and Addington) we are still pushing TFL on arrangements for the shuttlebus along the 464 route. [REDACTED]

Please note that on the return journey in the afternoon, the 695 bus calls at Biggin Hill Black Horse, not Lebanon Gardens.

### \*\*UPDATED NOTES 26/01/2024\*\*

The service in the morning will continue to serve from Westerham to Biggin Hill as normal, up until the bus stop known as "Lebanon Gardens (Stop N)" on Main Road. From that point it will be on diversion, heading straight back to Westerham before travelling towards Limpsfield and on to Tatsfield. All bus stops between "Lebanon Gardens (Stop N)" and "Old Ship" in Tatsfield will not be served.

Similarly in the afternoon, Biggin Hill will be served from the bus stop known as "Maple Leaf Close (Stop W)" as normal. Again, bus stops between "Old Ship" in Tatsfield and this point will not be served, but bus stops in Biggin Hill after "Maple Leaf Close (Stop W)" and on towards Westerham will be served as normal.

This means the TfL shuttle bus service (see separate post) will mostly be necessary for those pupils travelling from Biggin Hill Valley/Ricketts Hill Road, whilst those able to make use of the bus stops mentioned above can still use the 695 as normal.
