

SHOPPING SERVICES FOR TANDRIDGE – MEALS AND FOOD GENERALLY

GROCERIES

Tandridge Voluntary Action are putting together a volunteer bank who will be able to shop on behalf of elderly/vulnerable. In the meantime.....

Some shops are setting aside special times for older and vulnerable customers, including carers, to shop; as well as giving priority for on-line shopping deliveries and other community support.

In terms of identity, if you are over 70, your driving licence or similar should do. If you are a carer under 70, and registered with Action for Carers, give them a call on 0303 040 1234 and they can issue a letter.

Below is a list of the shops with their special opening times as at 30/3/20. And below, more information on what each store says they're doing, and further links.

- [Asda](#) – Fridays from store opening till 9am
- [Aldi](#) – check local stores
- [Iceland](#) – the first hour of opening, every day
- [Lidl](#) – check local stores
- [M&S](#) – Monday and Thursday, the first hour of opening
- [Morrisons](#) – Monday to Saturday, 9am-10am
- [Sainsbury's](#) – Monday, Wednesday and Friday, 8am-9am
- [Tesco's](#) – Monday, Wednesday and Friday, 9am-10am (not Express stores)
- [Waitrose](#) – first hour of opening, every day

Asda say: Should any of our customers be self-isolating, we would ask that they advise us of this in the 'Other Information' section when placing their order and tell us where they would like us to leave their order (e.g. on the doorstep, at the front gate etc.).

Iceland say: We're temporarily limiting online orders to customers who are over state pension age, self-isolating and other vulnerable people, such as the disabled. If you aren't over state pension age and can get to one of our stores, we kindly ask that you use our [Store Locator](#) to find your local Iceland and complete your shop there. We are encouraging all stores to dedicate opening hours to the elderly and vulnerable on all days. Check details with local stores.

Sainsbury's say: Every Monday, Wednesday and Friday, all our supermarkets will dedicate [8am – 9am](#) to serving elderly, disabled and vulnerable customers, as well as NHS and Social Care workers. They will just need to show us their pass or ID.

Tesco's say: We want to help everyone through these uncertain times, especially those who need extra help. So all our stores (except Express stores) will be prioritising the elderly and most vulnerable for one hour between 9am and 10am every Monday, Wednesday and Friday.

Waitrose say: Waitrose stores will dedicate the first hour of opening as a priority shopping time for the elderly, the vulnerable and those who look after them. The [waitrose.com](#) team is also looking into ways to support vulnerable customers who need food delivered to them.
